Valnet Inc. Completes the Acquisition of DualShockers.com

Valnet Inc. (or “Valnet”) has successfully completed the acquisition of DualShockers.com (“DualShockers”), a digital gaming publication revered by the gaming community. DualShockers was previously owned and operated by GRV Media.

GRV CEO Graham Morris said:

“We had a range of attractive offers for DualShockers, but the discussions with Valnet really resonated with us. Like us, they are a business with a strong moral compass, and we will watch on with interest as DualShockers moves onto the next part of its exciting journey”.

The acquisition of DualShockers is highly complementary to Valnet’s gaming portfolio, which includes flagship gaming sites GameRant.com and TheGamer.com.

About Valnet Inc.

Driven by passion and performance, Valnet’s overarching goal is to create and distribute content to millions of users daily across its brands. With more than 3.5 billion sessions per year, Valnet is the leading digital content investment company that owns and operates a diversified portfolio of premier digital publishing assets across multiple verticals.

About DualShockers.com

Founded in 2009, DualShockers has established itself as an authoritative source for the gaming community, with millions of readers visiting the site monthly for gaming news, reviews, guides, and previews.

DualShockers was represented by Logan Abner from WeBrokr.
